Loghat-e Fors was made by Asadi Tusi who was a famous poet in the 5th century. The list of entries has been arranged according to the final letters of the words. There are example sentences which were taken from poetry. The dictionary has synonyms and explanations that were used by young poets. This dictionary has been used widely by the poets who lived after Asadi Tusi. Many words have been added to the first dictionary which Asadi compiled. It has been published several times and is a valuable treasure of Persian language.</p>	۱۳

۴	<p>متن زیر را با دقت بخوانید و به سوالات آن پاسخ دهید.</p> <p>In many cultures around the world, elders are highly respected. They are seen as the keepers of wisdom and are asked for advice and guidance in all areas of life.</p> <p>In Norway, a program called “Old Friends” pairs older adults with younger people for regular social activities, such as going for walks or cooking together. The program has had significant success in reducing loneliness and social isolation among older adults.</p> <p>According to research, Japan has one of the longest life expectancies (the length of time that someone is likely to live) in the world, with many elders living beyond 100 years. One reason for this is the respect <u>they</u> receive from younger generations. Respecting elders not only benefits the elderly but also has a positive impact on younger generations. By learning from elders, younger people gain valuable knowledge and insights that can help them manage life’s challenges. For example, a study found that young people who spent time with elders had a more positive view on life and were more likely to <u>value</u> social relationships.</p>  <p>50. According to the text, younger people are seen as the keepers of wisdom.</p> <p>a. True b. False</p> <p>51. Respecting elders has a positive effect on younger generations.</p> <p>a. True b.
